MESSAGE FROM MANAGING DIRECTOR

Dear Shareholders,

The Fiscal year 2020-21 was a year filled with unprecedented challenges. The human race faced one of the most severe global health crisis in the history of mankind. The impact of the COVID-19 pandemic on lives, businesses and economies is well-known to the world. India's efforts to combat the pandemic have been well acknowledged and I would like to take this opportunity to express my immense gratitude to all our frontline heroes who have fought tirelessly to help keep others safe. I would also like to thank every member of CCL family for their relentless commitment and dedication during these difficult circumstances.

As you know, the COVID-19 pandemic has triggered the most abrupt global economic meltdown of modern times, and we believe the infrastructure sector is being tested now more than ever before. This sector is the cornerstone of our nation, playing a crucial role in accelerating India's overall development, and enjoys immense focus of the Government for initiating policies that would ensure the creation of world-class infrastructure in our country thereby driving economic growth. The revival of the infrastructure sector is one of the key focus areas for the government to generate employment opportunities and kick start sustainable growth.

I am delighted with the success we have achieved even with the spread of Covid-19 pandemic last year and current year too, and I am sure you are too. CCL International Limited is proud of our work helping to expand infrastructure networks, which have earned us the position of preferred contractor to numerous public-private entities all across the country.

Amid the continuing challenge of the most difficult global macro-economic environment in decades, we delivered strong operating performance that has generated significant operating cash flow. I believe these financial results and operational performance reflect a compelling story of CCL International Limited at work, which has set us on a path to strong, sustainable earnings growth.

We can now confidently say that CCL International Limited continues to operate from a position of balance and strength. We are growing construction business in India. We are performing today to deliver top-tier financial performance, while investing to ensure that our performance levels can be sustained in the long term. This year we stepped up our investments without compromising in brand building, R&D, emerging markets infrastructure and our people.

The ability to effectively identify, mitigate and manage the construction risk inherent in every project it undertakes, and the ability to deliver those projects in a manner that appropriately protects the safety of employees, stakeholders and the public, are key elements of success in the construction industry. Developing industry leading capabilities in these areas is a fundamental part of CCL's strategy. CCL International has established a detailed set of project criteria and risk management practices that are continuously reviewed, updated and improved. From the criteria set for selecting the projects it bids, to the evaluation of project risks and appropriate mitigation measures, to project pricing and the senior management approval processes a bid must go through, risk management is a

strategic and operational priority for CCL International Limited. An important element of CCL International's risk management strategy is the ongoing monitoring of projects under construction to ensure that the risk management plan established at the bid stage of the project remains sufficient and is being effectively implemented. To assist in this effort, CCL International has established a 'project controls' team, consisting of some of CCL International's most experienced and knowledgeable staff, whose mandate is to ensure that complex projects are provided with state-of-the-art management controls for contract administration, cost control, scheduling and other best practices. This team also reviews the status of key projects against a set of pre-determined criteria, and ensures that the project is meeting its financial and risk management objectives.

This year we started certain safety programs from our front line employees to the managing division onsite. It is the responsibility of everyone at CCL to ensure each worker, including direct employees and subcontractors, gets home safely to their families each day. Training is being provided for various activities now on-site to reduce accidents to zero levels, which include tripping hazards, pedestrian and vehicle traffic, construction awareness, ladder safety, dressing for the weather, secured shelving in storage areas, electrical safety, and personal protective equipment.

This year our companies main focus to health and safety of the employees and their family instead of profitability because employee are the heart of the company. For that purpose we are providing work from home policy to our most of the employees to the extent possible and aware him on continuously basis about the safety norms to protect him and their family in this Covid-19 Pandemic. We also provide all possible help to the entire employee, their family and the person which nearby our location. And request to all the community at large to do the following activity on regular basis-

- Clean your hands often. Use soap and water, or an alcohol-based hand rub.
- Maintain a safe distance from anyone who is coughing or sneezing.
- Wear a mask when physical distancing is not possible.
- Don't touch your eyes, nose or mouth.
- Cover your nose and mouth with your bent elbow or a tissue when you cough or sneeze.
- Stay home if you feel unwell.
- If you have a fever, cough and difficulty breathing, seek medical attention.
- To take Covid Vaccine dose as earlier as possible.

We are confident that CCL International will be India's premier construction and infrastructure Development Company. Our employees across India are hard at work making CCL International the best company for our clients, our partners, and you, our valued shareholders.

Stay healthy and stay safe.

Thank you for your continued support.

STATEMENT PURSUANT TO SECTION 102 OF COMPANIES ACT, 2013

Pursuant to Section 102 of the Companies Act, 2013 ('the Act'), the following Statement sets out all material facts relating to the business mentioned under Item No. 3 & 4 of the accompanying Notice dated August 31, 2021.

Item No. 3

Pursuant to the recommendation of the Audit Committee, the Board of Directors had at its meeting held on August 31, 2020, approved the appointment of the Cost Auditors, M/s. Shivam Kansal & Co, Cost Accountants (Firm Registration No. 003200). The Board has fixed remuneration of Rs. 30,000/- P.A for the Financial Year (Rupees Twenty Thousand only) inclusive of applicable taxes and out-of-pocket expenses subject to the approval by shareholders.

In terms of Section 148 of the Companies Act, 2013 and the Companies (Audit and Auditors) Rules, 2014, the remuneration of the Cost Auditors as fixed by the Board of Directors shall be approved by the members. The terms and conditions of appointment of M/s. Shivam Kansal & Co, Cost Accountants shall be open for inspection by the members at the registered office of the Company during normal business hours on all working day till the date of AGM.

None of the Directors or Key Managerial Personnel or their relatives is concerned or interested, financially or otherwise, in this Resolution.

The Board recommends the Ordinary Resolution set out at Item No. 3 of the Notice for approval by the Shareholders.

Item No. 4

Ms. Sonam Sharma was appointed as a Non-Executive Director on the Board of the Company on 30th September, 2016 in line with the requirements of SEBI (LODR) Regulations, 2015 as may be amended from time to time. In terms of Section 149 and other applicable provisions of the Companies Act, 2013, members of the Company at the 25th Annual General Meeting held on September 30, 2016 approved the appointment of Ms. Sonam Sharma as an Independent Director of the Company for a period of 5 years up to September 29, 2021.

As per the provisions of Section 149 of the Companies Act, 2013, an Independent Director shall hold office for a term upto five consecutive years on the Board of a Company but shall be eligible for re-appointment, for another term of upto five years, on passing of a special resolution by shareholders.

The Company has received intimation in Form DIR-8 from Ms. Sonam Sharma that, she is not disqualified from being re-appointed as an Independent Director in terms of Section 164 of the Act, declaration that he meets with the criteria of independence as prescribed under Section 149 (6) of the Companies Act, 2013 & Regulation 16(1)(b) of SEBI Listing Regulations and her consent to continue to act as an Independent Director.

The resolution seeks the approval of members for the re-appointment of Ms. Sonam Sharma as an Independent Director of the Company for another term of (5) years commencing from September 30, 2021 to September 29,

2026 in terms of Section 149 and other applicable provisions of the Act and Rules made there under. She is not liable to retire by rotation.

Ms Sonam Sharma has also confirmed that she is not debarred from holding the office of Director by virtue of any SEBI Order or any such authority pursuant to circulars dated 20th June, 2018 issued by BSE Limited and the National Stock Exchange of India Limited pertaining to enforcement of SEBI Orders regarding appointment of Directors by the listed Companies.

In the opinion of the Board, Ms. Sonam Sharma fulfills the conditions for her re-appointment as an Independent Director as specified in the Act and the SEBI Listing Regulations and is independent of the management.

Based on the recommendations of the Nomination & Remuneration Committee and keeping in view the expertise of Ms. Sonam Sharma, the Board of Directors at its meeting held on August 31, 2021 recommended the continuance of Ms. Sonam Sharma as an Independent Director mentioned in the resolution.

The Nomination & Remuneration Committee and the Board evaluated the performance of Ms. Sonam Sharma, rated him satisfactory on all parameters and recommended her re-appointment.

Copy of the draft letter for re-appointment of Ms. Sonam Sharma as an Independent Director setting out the terms and conditions is available for inspection by members at the Registered Office of the Company.

None of the Directors or Key Managerial Personnel of the Company and / or their relatives except Ms. Sonam Sharma herself, to whom the resolution relates, is in any way, concerned or interested, financially or otherwise, in the resolution.

The Board therefore recommends the resolution as set out at Item No. 5 for approval of the members as Special Resolution.

2. COVID-19 PANDEMIC:

In the last month of Financial Year 2021, the COVID-19 pandemic developed rapidly into a global crisis, forcing governments to enforce lock-downs of all economic activity. For the Company, the focus immediately shifted to

ensuring the health and well-being of all employees and their families. So, we provide work from home policy to all our employees if required. This response has reinforced customer/creditor confidence in CCL and many of them have expressed their appreciation and gratitude for keeping their businesses running under most challenging conditions.

3. COMPANY PERFORMANCE:

On the financial basis, the turnover for the Financial Year 2020-21 is Rs. 3008.38 Lacs was higher by 21.20% over last year (Rs. 2480.19 Lacs in Financial year 2019-20). However, there is decrease in the net profitability of the company because the company has earned capital gain on sale of investment in shares in last financial year.

Due to competitive pressure infrastructure development in India has been going through a very difficult phase over the last few years, affecting the overall performance. Consequently, players in the construction space, especially those in business of Road construction & building large infrastructure for the state and central governments, had to face severe financial, operational and regulatory challenges, such as very tight liquidity conditions, serious stress on cash flows, as well as sundry issues brought up in the ambit of environment and social displacement.

Our focus area continues to be the execution of civil engineering projects with specialization on road & bridge. Further your Company had been successful in bagging various contracts for execution of Infrastructure Projects. Apart from above, the Company expects substantial increase in the order book position.

Your Directors along with the entire management team is taking all possible action to ensure that we are able to sustain our financial growth and business operational developments in spite of all adverse external conditions & competition.

4. BUSINESS OPERATIONS:

As you are already aware, your company introduced a German Technology i.e. **Evocrete®ST** used in various regions in conducting its road construction activities and working with it from the past 9 years which has impact on the goodwill and profitability of the company. Since using this technology, the Company has bagged various infrastructure development projects (for construction of roads & highways) operational in many parts of the country which are based on the same German Technology Evocrete! CCL has brilliantly used its management skills and expanded its reach to different region of the country.

Product: “EvoCrete” is a unique formulation which provides for modification of soil making it appropriate for road construction. It is used for complete solidification of any soil type which has zero or negligible aggregates. Under this technology a mechanized recycler or as also called a soil stabilizer is used for integrating an additive to the soil. Even a Ready Mix Cement plant tested & tried on more than 5.0 Million Sq. Meters world over is being used as per road or pavement design leading to best in class ready to use traffic roads. In brief we can say that the German Technology provides for a soil stabilization technique which binds the soil with adequate quantity of cement and water ensuing in development of solid concrete slab.

EvoCrete® is the latest generation evolved soil & Concrete modifiers for infrastructure industry are most trusted world over to bring speed, strength & life. Remarkable Additives helps in cost & engineering designs. Technology i.e. specialized for infra projects, evolved to construct roads, highways, canals, railways etc. at most cost effective & efficient manner. We would also like to share the areas where we use the material named EvoCrete. A list of which is shown on the following page

EVOCRETE - AREAS OF USES

Road and Motorway Construction

Harbor Premises and Wharfages

Cycle Paths, Forest Paths and Agricultural Roads

Replacement of Depth Foundation

Railway Tracks

Rural or Village roads

Landfill Sites

Slope Reinforcements, Grouting

River Embankment Stabilization

Biogas Plants

Tunnel and Sewage System Construction

Logistics Centre

Parking, Container Storage Points

General Foundations

Dam Enforcements

Access Routes for Oil, Gas, Steel and Wood Industries

During the year under review, the company has successfully demonstrated strong value addition in the infrastructure sector. Further, company is efficiently focusing on completing on-going construction works in an efficient manner and also started working aggressively on procuring/participating various new and innovative technology-oriented projects in the field of Infrastructure Segment.

To march on a higher growth route, your Company is competing for more new projects in domestic country and further increase turnover from existing & executed Projects. Securing new projects assumes importance in the wake of better profit margins. Your Company as a group offers the vast spectrum of infrastructure services in the areas of Construction of bridges, Construction of roads, and Construction of highways. During the year under review, the Company stepped in contracts with various other organizations like Border Road Organization, National Highways Authority of India, Government of Assam, PWD Department Government

of Meghalaya and for executing its ongoing projects which would surely enhance the growth, goodwill and public reputation of your company and would prove out to be more profitable in the coming months.

The Directors and the management placed on record the contribution made by our employees at all levels. Our consistent growth was made possible by their hard work, solidarity, cooperation and support. Other factors which contributed for smooth performance of company's operational activities can be noted to be better price realization, richer product mix, and effective & efficient work efforts.

INDUSTRY STRUCTURE & FUTURE OUTLOOK

India has the second largest road network in the world, spanning a total of 5.89 million kilometres (kms). This road network transports 64.5% of all goods in the country and 90% of India’s total passenger traffic uses road network to commute. Road transportation has gradually increased over the years with improvement in connectivity between cities, towns and villages in the country.

The Government of India has allocated ` 111 Lakh Crore (US\$ 1.4 trillion) under the National Infrastructure Pipeline for FY 2020-25. The roads sector is likely to account for 18% capital expenditure over FY 2020-25. The NHAI awarded 1,330 km of highways in the first half of FY21, which was 1.6x of the total awards in FY20 and 3.5x of the FY19-levels. NHAI, the nodal authority for building highways across the country, has set a target of awarding 4,500 KM of projects in FY21.

The Union Minister of State for Road, Transport and Shipping has stated that the Government aims to boost corporate investment in roads and shipping sector, along with introducing business friendly strategies, that will balance profitability with effective project execution.

The Government, through a series of initiatives, is working on policies to attract significant investor interest. A total of 2,00,000 km of national highways is expected to be completed by 2022.

RESOURCES AND LIQUIDTY

Your Company presently maintains conservative financial profile so as to build its future based on sound financial resources.

RISK MANAGEMENT

The Company is exposed to certain financial risks, principally interest rate risk, construction risk and risks associated with competition among others. Your Company recognizes the need to control and limit risk, which it faces in day to day course of the business. These risks are managed through risk management policies that are designed to minimize the potential adverse effects of these risks on financial performance of the Company. The following section discusses some of these risks and steps taken by CCL to mitigate such risks.

- **Competition Risk** - With increased project awarding by the government, the road and construction industry is expected to attract several domestic as well as international players. This increase in competition may lead to an aggressive bidding environment, resulting in price cut and low operating margins as well as lower market share of project awards. Risk Mitigation - With five years of industry experience and led by a proven management team, who have honed their project managing skills right from the drawing board to the final execution, the Company is confident of meeting present and future competition and enjoy continued growth. To further mitigate this risk, where considered prudent, the Company forms strategic partnerships and joint ventures with quality players. This facilitates synergies both in the financial and technical and enables it to compete with the larger players.
- **Slow-down in Road Sector** - Any slowdown on part of the government to award road projects could adversely affect growth prospects. Risk Mitigation - The present government has taken focused steps to ensure that infrastructure creation moves at an accelerated pace, thus reducing the possibility of this risk to a considerable extent. Moreover, the Company already has sufficient order backlog to ensure growth momentum in the medium term.
- **Construction Risk** – Infrastructure projects involve complex design and engineering, significant procurement of equipment and supplies and extensive construction management and other activities conducted over extended time periods, sometimes in remote locations. This could lead to cost-time overruns, thereby impacting profitability. Risk Mitigation – CCL with its vast experience of project management, balanced capital structuring and efficient cost control measures is well geared to mitigate this risk.
- **Input Risks** – The availability of the right quality and quantity of resources (raw material and finances) is critical for the timely completion of infrastructure projects. Besides, cost escalation could affect profitability. Risk Mitigation – The Company controls its projects directly – as opposed to subcontracting core infrastructure assignments – enabling it to ascertain when material would be required in what quantity and where. It procures key raw materials (steel and cement) directly from leading manufacturers for a more timely access. Moreover, most of the Company’s contracts are protected with input escalation clauses, which protect profitability.
- **Manpower risk**-Since people represent the most valuable asset in the business, any attrition could lead to a valuable loss of competitive edge. Recruitment and retention of specialized professionals is an industry wide problem. Risk Mitigation – The Company maintains a cordial and informal working environment. It delegates authority at all levels through a defined system of the scope of work, responsibility and reporting structure which results in leaders being grown at every tier. It remunerates employees according to the prevailing industry standards and conducts in-depth training – functional and attitudinal, leading to a low attrition rate.

HUMAN RESOURCES

The Company continued with efforts to ensure that its pool of human resources is “future ready” through its robust processes of learning & development, capability building and its development programmes. Efforts were taken to develop leadership lines as well as to enhance technical and functional capabilities with special focus on nurturing young talent, in order to face future challenges. It will ensure that the development initiatives result not just in better skills but in enhanced performance and higher engagement. The top management conducted several discussions

with their employees to discuss multiple issues towards discussing leadership qualities, values, responsibilities, freedom to work and take decisions. Going ahead, the Company will continue to invest in its people to strengthen its delivery model.

Your Company maintains its focus on its Human Resources. It believes that people's contribution is the main engine for growth. We deliver on the strength of our people and in a dynamic business environment. Company policy entrails looking for qualified, talented and enthusiastic individuals and building up to a rich human resource base. Our HR team focuses on employee training, inculcation of values and enhancing functional expertise. Manpower is biggest strength in construction sector. The key HR objective is to ensure that our employees are aware of the role they are expected to play in the organization to be able to drive organizational momentum.

All employees are working in harmonious and teamwork atmosphere which are at all-time high. The Company has a team driven work process with completely flat organization structure. This not only helps us nurture leaders but also give us capable and assured colleagues at all levels.

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

The Company has a proper and adequate system of internal controls. This ensures that all transactions are authorized, recorded and reported correctly, and assets are safeguarded and protected against loss from unauthorized use or disposition. In addition there are operational controls and fraud risk controls, covering the entire spectrum of internal financial controls. Management reviews and supplements the process of internal financial control framework. The internal financial control framework has been designed to ensure that the financial and other records are reliable for preparing financial and other statements and for maintaining accountability of assets. In addition, the Company has identified and documented the risks and controls for each process that has a relationship to the financial operations and reporting

VALUE CREATION

Your Company is continuously striving to create value in all spheres of its activities. This encompasses not only value for its customers but also for its stakeholders. The Company has adopted Accounting Standards incorporating best practices and have moved towards transparency in its reporting .We will continuously endeavor to provide insight on the operation of the Company to aid all stakeholders.

The Board would like to place on record its deep sense of appreciation for the continued confidence reposed in the company by the shareholders as well as the sincere efforts put in by the executives and staff at all levels for progress of the company.

CAUTIONARY STATEMENT

Statements in the Management Discussion and Analysis describing the Company's objectives, projections, estimates, expectations or predictions may be "forward looking statements" within the meaning of applicable laws or regulations. Actual results could differ materially from those expressed or implied. Important factors that could make a difference to the Company's operations include, among others, economic conditions affecting demand/supply and price conditions, variation in prices of raw materials, changes in government regulations, tax regimes, economic developments and other incidental factors.

STANDALONE INDEPENDENT AUDITORS' REPORT

To,
The Members of
CCL INTERNATIONAL LIMITED

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of CCL International Limited ("the Company"), which comprise the Balance Sheet as at 31st March, 2021, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2021, its profit and total Comprehensive Income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Sr. No.	Key Audit Matter	Auditor's Response
1.	Revenue recognition over time in Construction contracts From financial year 2020-21, the Company has applied Ind AS 115 "Revenue from Contracts with Customers". The main portion of the Company's income relates to construction contracts. In all material respects revenue is related to construction projects and is recognized over time, i.e applying percentage of completion. Thus revenue and costs in construction projects is recognized based on assumptions and estimates on future outcome as documented in the projected forecasts. These forecasts include estimates of costs for e.g. labour, material, subcontractors and defect liability. From time to time, the latter may require updated estimates also for completed projects. As applicable, forecasts also include assessment of claims on customer relating to, e.g change or additional orders and deficiencies in tender conditions. The element of assumptions and estimates means that final results may deviate from those now reported. The size of the amounts involved combined with element of assumptions and estimates make this a key audit matter.	We have performed analytical reviews of revenue and margins reported and evaluated management's routines for follows up of the projects financial results and also discussed latter with management. On the sample basis, we have examined revenue and the recognized project cost on which the determination of completion ratio is based. We have also tested the mathematical accuracy of the percentage of completion profit calculation. We have discussed with the company the principles, methods and assumptions on which estimates are based, including those forming the basis for defect liability provisions for projects already completed.

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Corporate Governance and Shareholder's Information, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit, or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that

is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirement

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the "**Annexure-A**" a statement on the matters specified in paragraphs 3 and 4 of the Order to the extent applicable.

2. As required by Section 143(3) of the Act, we report that:

- a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
- b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
- c. The Balance Sheet, the Statement of Profit and Loss (including Other Comprehensive Income), the statement of changes in Equity and Statement of Cash Flow dealt with by this Report are in agreement with the books of account;
- d. In our opinion, the aforesaid standalone financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- e. On the basis of written representations received from the directors as on March 31, 2021 and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2021 from being appointed as a director in terms of Section 164(2) of the Act.
- f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
- g. With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

- h. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any litigation on its financial position.
 - ii. The Company has not made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts.
 - iii. The company was not required to deposit or pay any dues in respect of the Investor Education and Protection Fund during the year.

ANNEXURE-B TO THE INDEPENDENT AUDITORS' REPORT OF EVEN DATE ON THE STANDALONE FINANCIAL STATEMENTS OF CCL INTERNATIONAL LIMITED

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **CCL International Limited** ("the Company") as of 31st March, 2021 in conjunction with our audit of the Standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal controls stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:-

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Note A: CORPORATE INFORMATION AND SIGNIFICANT ACCOUNTING POLICIES

Note A: CORPORATE INFORMATION AND SIGNIFICANT ACCOUNTING POLICIES

I. CORPORATE INFORMATION

CCL INTERNATIONAL LIMITED ("The Company") bearing CIN L26940DL1991PLC044520 was originally incorporated on 04th June 1991 under the Companies Act, 1956 as "Gupta Cements Private Limited". The Company after passing necessary resolution as specified in the Companies Act, 1956, got converted into Public Limited Company. Later the name was changed to "Chirawa Cements Limited" and finally the name was changed to its present name "CCL International Limited" and Certificate for change of name was obtained from ROC on 11th December 2008. The Registered office of the Company is situated at M-4, Gupta Tower, B-1/1, Commercial Complex, Azadpur, New Delhi-110033 and Corporate Office is situated at C-42, RDC, Raj Nagar, Ghaziabad-201002. The Company is listed on Bombay Stock Exchange (BSE). The Company is an Infrastructure Company executing major civil works including Roads, bridge, highways across India.

II. SIGNIFICANT ACCOUNTING POLICIES

1. Basis of Preparation

The financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act, 2013 ('Act') read with of the Companies (Indian Accounting Standards) Rules, 2015 as amended and other relevant provisions of the Act. The Company has uniformly applied the accounting policies during the year presented.

2. Revenue Recognition

a. **Revenue from Construction activity:**

i) Income is recognized on construction contracts in accordance with the percentage of completion basis, which necessarily involve technical estimates of the percentage of completion, and costs to completion, of each contract / activity, on the basis of which profits and losses are accounted. When the outcome of the contract is ascertained reliably, contract revenue is recognized at cost of work performed on the contract plus proportionate margin, using the percentage of completion method. Percentage of completion is the proportion of cost of work performed up to the date, to the total estimated contract costs.

ii) The stage of completion of contracts is measured by reference to the proportion that contract costs incurred for work performed up to the reporting date bear to the estimated total contract costs for each contract.

iii) Price escalation and other variations in the contract work are included in contract revenue only when:

- Negotiations have reached at an advanced stage such that it is probable that customer will accept the claim and
- The amount that is probable will be accepted by the customer and can be measured reliably.

b. **Income from Trading sales:**

Revenue from trading activities is accounted for on accrual basis.

c. Revenue receipts from Joint Venture Contracts

In work sharing Joint Venture arrangements, revenues, expenses, assets and liabilities are accounted for in the Company's books to the extent work is executed by the Company.

d. Interest Income

Interest on fixed deposits is accounted on accrual basis.

e. Dividend Income

Dividend income is accounted in the year in which the right to receive the same is established.

3. Property, Plant and Equipment

Property, plant & equipment are stated at their cost of acquisition/construction, net of accumulated depreciation and impairment losses, if any. The cost comprises purchase price, borrowing costs if capitalization criteria are met, directly attributable cost of bringing the asset to its working condition for the intended use and initial estimate of decommissioning, restoring and similar liabilities. Any gain/loss on the disposal of the Property, Plant and Equipment is recognized in the Statement of Profit & Loss account and is determined as the difference between the sales proceeds and the carrying amount of the asset.

4. Depreciation and amortization

Depreciation on Property, Plant and Equipment is provided on Straight Line Method as prescribed in Schedule II to the Companies Act, 2013. The management estimates the useful life of the assets as prescribed in Schedule II to the Companies Act, 2013.

5. Current versus non-current classification

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification.

An asset is treated as current when it is: -

- Expected to be realised or intended to be sold or consumed in normal operating cycle;
- Held primarily for the purpose of trading;
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period
- All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle;
- It is held primarily for the purpose of trading;
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.
- The Company classifies all other liabilities as non-current.

6. Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Financial assets and financial liabilities are recognised when Company becomes a party to the contractual provisions of the instruments.

a. Financial Assets

i) Financial Assets at Amortised cost

Financial assets are subsequently measured at amortised cost using the Effective Interest Rate method (EIR) if these financial assets are held within a business whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the profit or loss. The losses arising from impairment are recognised in the profit or loss.

ii) Financial Assets at fair value through profit or loss (FVTPL)

Financial assets are measured at fair value through profit or loss unless it is measured at amortised cost or at fair value through other comprehensive income on initial recognition.

iii) Impairment of financial assets

The Company assesses on a forward looking basis the expected credit losses associated with its assets carried at amortised cost. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

iv) De-recognition of financial assets

The Company derecognises a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party.

b. Financial Liabilities

i) Financial liabilities at Amortised Cost

Financial liabilities are measured at amortised cost using the effective interest rate method (EIR). Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR amortisation process. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss.

ii) De-recognition of Financial liabilities

The Company derecognises financial liabilities when, and only when, the Company's obligations are discharged, cancelled or have expired. The difference between the carrying amount of the financial liability derecognised and the consideration paid / payable is recognised in the statement of profit and loss.

c. Offsetting of financial instruments

Financial assets and Financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

7. Fair Value

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either in the principal market for the asset or liability or in the absence of a principal market, in the most advantageous market for the asset or liability.

8. Inventories and Work in progress

Raw Materials, Construction Materials and Stores & Spares are valued at lower of weighted average cost or net realizable value. Cost includes direct material, Work Expenditure, Labour Cost and appropriate overheads excluding refundable duties and taxes.

Work in Progress is valued at contracted rates less profit margin / estimates.

9. Provisions, contingent assets and contingent liabilities

A provision is recognized when:

- the Company has a present obligation as a result of a past event;
- it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation; and
- a reliable estimate can be made of the amount of the obligation.

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Where there is a possible obligation or a present obligation that the likelihood of outflow of resources is remote, no provision or disclosure is made.

10. Foreign Currency Transaction

Foreign currency transactions are recorded at the exchange rates prevailing on the date of the transactions. Exchange differences arising on foreign currency transactions are recognized as income or as expenses and accordingly debited or credited to profit and loss account.

11. Retirement and other Employees' Benefits

Provident Fund : Provision of Provident Fund is not applicable to the company.

Gratuity: No provision for gratuity has been made as there is no amount due towards.

12. Earnings per share

Basic earnings per share are calculated by dividing the net profit or loss for the year attributable to equity shareholders (after deducting attributable taxes) by the weighted average number of equity shares outstanding during the year.

For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity share.

13. Taxation

a. Current Tax:

Provision for Current tax is made based on the liability computed in accordance with the relevant tax rates and provisions of Income Tax Act, 1961 as at the balance sheet date and any adjustments to taxes in respect of the previous years, penalties if any related to income tax are included in the current tax expense.

b. Deferred Tax

Deferred income tax assets and liabilities are recognized for temporary differences between the financial statement carrying amounts of existing assets and liabilities and their respective tax base using the tax rates that are expected to apply in the period in which the deferred tax asset or liability is expected to settle, based on the laws that have been enacted or substantively enacted by the end of reporting period.

c. Minimum Alternative Tax (MAT)

MAT credit is recognized as an asset only when and to the extent there is convincing evidence that the company will pay normal income tax during the specified period. In the year in which the MAT credit becomes eligible to be recognized as an asset in accordance with the recommendations contained in Guidance Note issued by the Institute of Chartered Accountants of India, the said asset is created by way of a credit to the statement of profit and loss and shown as MAT Credit Entitlement. The company reviews the same at each balance sheet date and writes down the carrying amount of MAT Credit Entitlement to the extent there is no longer convincing evidence to the effect that company will pay normal Income Tax during the specified period.

14. Borrowing Cost

Borrowing cost that are directly attributable to the acquisition or construction of a qualifying asset are considered as part of the cost of the asset. All other borrowing costs are treated as period cost and charged to the statement of profit and loss in the year in which incurred.

15. Significant management judgment in applying accounting policies and estimation of uncertainty

a. Significant management judgments

When preparing the financial statements, management undertakes a number of judgments, estimates and assumptions about the recognition and measurement of assets, liabilities, income and expenses. The

following are significant management judgments in applying the accounting policies of the Company that have the most significant effect on the financial statements.

i) Revenue

The Company recognises revenue using the percentage of completion method. This requires estimation of the projected revenues, projected profits, projected costs, cost to completion and the foreseeable losses. These are reviewed periodically by the management and any effect of changes in estimates is recognized in the period in which such changes are determined.

ii) Recognition of deferred tax assets

The extent to which deferred tax assets can be recognized is based on an assessment of the probability of the Company's future taxable income against which the deferred tax assets can be utilized otherwise the deferred tax is not recognized.

b. Estimation of uncertainty

i) Recoverability of advances/receivables

At each balance sheet date, based on historical default rates observed over expected life, the management assesses the expected credit loss on outstanding receivables and advances.

ii) Provisions

At each balance sheet date on the basis of management judgment, changes in facts and legal aspects, the Company assesses the requirement of provisions against the outstanding warranties and guarantees. However the actual future outcome may be different from this judgment.

Note 36: Capital Management

For the purpose of the Company's capital management, capital includes issued equity capital and all other equity reserves attributable to the equity holders of the Company. The Company strives to safeguard its ability to continue as a going concern so that they can maximize returns for the shareholders and benefits for other stake holders. The aim is to maintain an optimal capital structure and minimize the cost of capital.

The Company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. To maintain or adjust the capital structure, the Company may return capital to shareholders, issue new shares or adjust the dividend payment to shareholders (if permitted). Consistent with other entities in the industry, the Company monitors its capital using the gearing ratio which is total debt divided by total equity.

During the year there are no financial instruments which are measured at Level 1 and Level 2 category.

The fair value of financial instruments referred above have been classified into three categories depending on the inputs used in the valuation technique. The categories used are as follows: **Level 1:** This hierarchy includes financial instruments measured using quoted prices.

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.

Valuation processes :

For level 3 financial instruments the fair values have been determined based on present values and the discount rates used were adjusted for counterparty or own credit risk.

(iii) Fair value of financial assets and liabilities measured at amortised cost for which fair values are disclosed.
